DELTA

RESIDENCE

A Prestigious Neighborhood

Delta Residences is an ultra-modern 3 floor development, with a contemporary design that evokes the Greek letter δ (delta), thanks to its three distinct vertical sections.

This eye-catching façade gives the building a fresh feel, which fits in perfectly with its prestigious surroundings.

Comprising four spacious apartments, Delta Residences is set in the heart of Yermasoyeia's Green Area, a prestigious residential neighborhood which offers residents safety and peace of mind, as well as the added perk of having all amenities nearby.

The first floor comprises two apartments with one and two bedrooms respectively, while the second and third floors comprise one apartment of three bedrooms each, spread out across the entire floor.

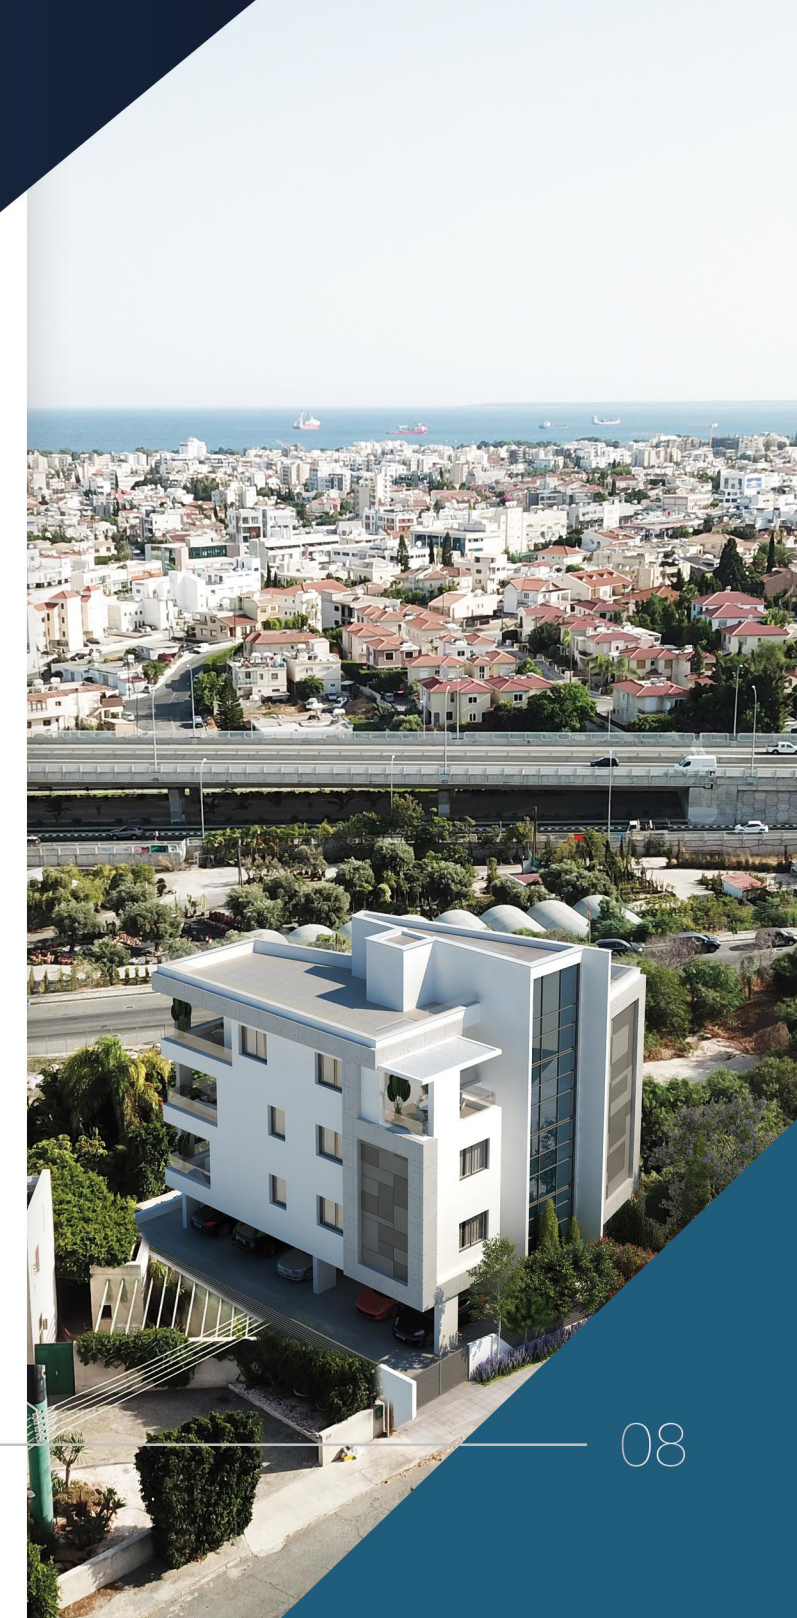

The Heart of the City

In Yermasoyeia, both residents and tourists alike can enjoy a plethora of activities, from beach days spent all along Limassol's endless coastline to bike rides down the waterfront cycling paths, as well as high-end shopping experiences.

The area also boasts a host of amenities, including supermarkets, shops, pharmacies, banks, restaurants and cafés, in addition to schools, hospitals and other facilities that are just a short drive away.

An Ultra-Modern Development

The clean, modern lines of the Delta Residences come together to create a well-designed façade comprising of mixed materials. Stark white is accented by fair-faced concrete, while polished metal and glass cladding twinkles in the bright Mediterranean sun.

Large windows and glass balcony railings offering sweeping views of the Limassol cityscape and the azure blue waters of the sea beyond. All these elements come together to create an artfully arranged residential building that offers residents optimum comfort and style.

Luxury living spaces and ultimate comfort

The Delta Residences interiors have been designed in such a way as to ensure residents enjoy a living space of ultimate style and comfort. Each apartment has therefore been fitted with top quality finishes, from parquet floors in the bedrooms to gleaming marble floors in the kitchen and living areas.

Every material used has been selected for its longevity as well as its aesthetics, ensuring that residents will live in style for many years to come. Each apartment comes with its own covered parking area, and storage space, while an accessible roof garden allows residents to enjoy the view from above.
